

V.A.C.® THERAPY
SYSTEM

Better By Design

The InfoV.A.C.® Therapy System

Easier to Use by Design*

The InfoV.A.C.® Therapy System was designed with busy clinicians in mind, providing easier V.A.C.® Therapy use.

Seal Check™ Technology

Helps Locate and Resolve Leaks

- Provides instant feedback to help identify leaks
- Saves time trying to locate and resolve leaks
- Helps ensure accurate seals

InfoV.A.C.® Therapy Unit

Lighter, Smaller, Smarter

- Simple touch-screen controls
- More than 50% lighter and smaller
- Convenient IV pole or bedside positioning

SensaT.R.A.C.™ Technology

Accurate Therapy Delivery

- Alarm differentiation for easier troubleshooting
- Components engineered to reduce false alarms and tubing blocks

InfoV.A.C.® Therapy System Seal Check™ Technology makes delivering effective therapy easier.

The redesigned SensaT.R.A.C.™ Pad is easier than ever to use.

Simpler Training by Design*

The InfoV.A.C.® Therapy System was designed to be easier to learn, allowing more clinicians to be proficient with V.A.C.® Therapy more quickly.

Touch-Screen Navigation

Easier to Learn

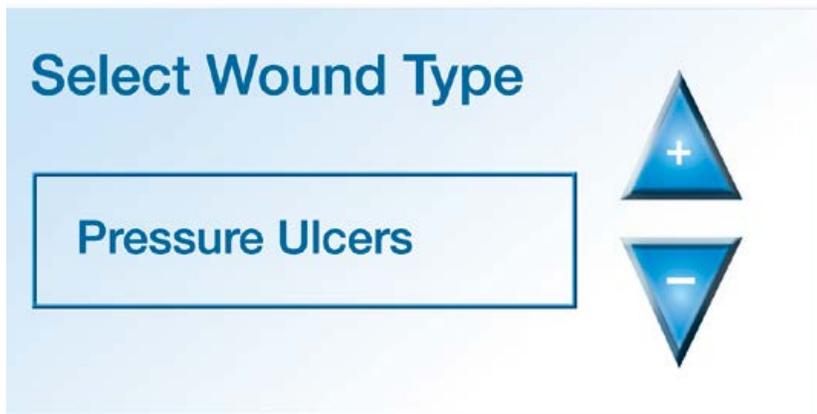

- Intuitive menus simplify therapy programming and operation
- Common touch-screen interface with ActiV.A.C.® Therapy System reduces training time and eases patient transitions

Settings Guide

Information Built In

- Aligned with V.A.C.® Therapy Guidelines
- Preset therapy settings by wound type eases setup
- Step-by-step guide simplifies setup for infrequent users

Intuitive touch-screen navigation includes features such as a V.A.C.® Therapy Settings Guide.

Better Information by Design*

The InfoV.A.C.® Therapy System was designed with informative Wound Assessment Tools, helping to provide consistent tracking of wound progress.

Therapy History Report

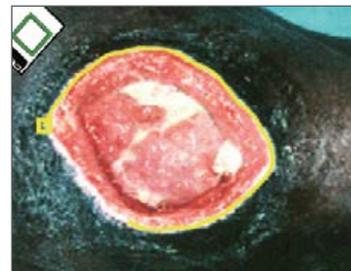

Real-Time Information

- Allows clinicians to monitor and track V.A.C.® Therapy usage
- Can be easily downloaded to a computer

Digital Wound Imaging

Standardized Documentation

- Improves documentation of the wound healing process
- Standardized measurements help maintain consistency
